IMAGINiT Technologies Earns Top Autodesk Platinum Club Award

IMAGINiT Leads Autodesk Channel by Achieving Largest Net Subscription Growth in the USA and Canada

OWINGS MILLS, MD – MARCH 1, 2017 – [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organizations with engineering design and information technology requirements, today announces that its [IMAGINiT Technologies](#) division was awarded a coveted 2017 Autodesk Platinum Club Award at the Autodesk One Team Conference in Las Vegas, Nevada for the largest net subscription growth in North America.

"The Autodesk Platinum Club Awards recognize an elite global group of partners for top sales performance and customer service excellence," says Raymond Savona, vice president of Americas sales, Autodesk. "We're excited to announce that IMAGINiT is not only thriving under our new subscription model, but continues to be one of the leaders in attracting and retaining subscription customers. Congratulations to the entire IMAGINiT team for achieving these stellar results."

"I'm very proud of our team for adeptly handling the new challenges presented under the subscription model and for continuing to grow our customer base across all verticals," says Larry Rychlak, president and chief executive officer of Rand Worldwide. "It's both humbling and gratifying to receive another Autodesk Platinum award and it is clearly a testament to the commitment to outstanding customer service on the part of our entire organization. I thank Autodesk for this outstanding recognition and I also thank all of our customers for the continued confidence they show in our ability to deliver a full range of solutions to their business problems."
