

SAVE TIME. ENSURE PRODUCTIVITY.

Tests show speed and reliability are on your side with AutoCAD LT® 2016 software and TrustedDWG™ technology.

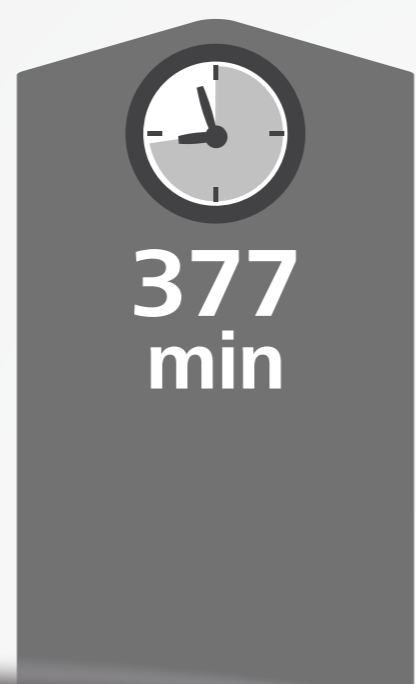

1 TRIM PRODUCTION TIME

Every minute you can take off production time is a minute you gain in productivity.

TOTAL DESIGN TIME FOR 3 TASKS*

AutoCAD LT 2016

Vs. **AutoCAD LT**

Reduce design time by

↓ **38%**

Improve productivity by

↑ **246%**

2 FINISH DESIGNS FASTER

Compared to AutoCAD LT 2011, AutoCAD LT 2016 helps you complete every task in less time.

*The performance results and statistical information reported in this paper were derived from tests commissioned by Autodesk and conducted over a controlled network, using AutoCAD 2011, AutoCAD 2016, and a Dell Precision™ M3800 mobile workstation running Windows® 7 performed selected tasks designed to simulate day-to-day production tasks. As with all performance tests, results may vary based on machine, operating system, filters, and even source material. While every effort has been made to make the tests as fair and objective as possible, your results may differ. Product information and specifications are subject to change without notice. Autodesk provides this information "as is," without warranty of any kind, either express or implied.
