

**For Immediate Release**

## **IMAGINiT Technologies Honored with Top Autodesk Platinum Club Award**

**OWINGS MILLS, MD — APRIL 8, 2015 —** [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organizations with engineering design and information technology requirements, today announces that its [IMAGINiT Technologies](#) division has earned a 2015 Autodesk Platinum Club Award at Autodesk's One Team Conference in Las Vegas, Nevada. IMAGINiT earned this coveted award by achieving the largest growth of any Autodesk partner in the United States.

"Autodesk is proud to announce the 2015 Platinum Club winners, and is grateful to all of the winners for their exceptional performance," said Steve Blum, senior vice president of Worldwide Sales and Services, Autodesk. "As a member of the Platinum Club for many years, IMAGINiT customers benefit from the team's commitment to deliver the highest levels of efficiency, competitiveness and innovation."

By choosing to work with IMAGINiT, it is IMAGINiT's customers that are truly behind every award. Rated highly for their rich industry experience and superior standard of customer satisfaction, IMAGINiT's high growth has been consistent across Canada and the United States. IMAGINiT's team of Autodesk certified experts and licensed engineers and architects continually work with customers to help design, simulate and analyze their ideas.

"Each time our team has been inducted into Autodesk's Platinum Club it is a tremendous honor and we are proud to receive the coveted Platinum Award again in 2015," says Tim Johnson, senior vice president, IMAGINiT Technologies. "Beyond the team's deep industry experience, extensive professional services and unrivalled customer support, this award tells a bigger story. It's the result of having passionate people across North America who all share the one objective of driving business value for their customers."
