

IMAGINiT Technologies Earns Top Autodesk Platinum Club Award

IMAGINiT Team Recognized for Top Reseller in Net Subscription Growth in North America

BALTIMORE, MD – MARCH 12, 2020 — Acknowledged for outstanding growth, IMAGINiT Technologies earned the coveted award for Top Reseller in Net Subscription Growth by helping organizations select the right software and providing them with custom tools and utilities, support, and training. IMAGINiT accepted this prestigious Autodesk Platinum Club Award at the Autodesk One Team Conference in Las Vegas, Nevada.

“By always keeping the customer in sharp focus, IMAGINiT remains in an exclusive category of Autodesk partners,” said Pete Baxter, vice president Americas Sales, Autodesk. “We thank everyone on the IMAGINiT team for continuing to guide their customers to the solutions that maximize business value for their organization.”

“Earning Platinum Club Awards for seven consecutive years is the outcome of a team that places the customer before anything else,” said Larry Rychlak, president and chief executive officer, Rand Worldwide. “Every employee plays a part in this success and year after year they continue to work together with the sole goal of providing unrivalled customer value.”

The IMAGINiT team supports existing subscribers while welcoming new organizations into the fold by uniquely combining industry expertise, deep software knowledge and a laser focus on customer satisfaction. As a multi-year Autodesk Platinum Partner, IMAGINiT has perfected its model of injecting innovation into customers’ businesses with:

- Expert consulting that helps tailor the best mix of engineering and design solutions to unique business challenges
- Proprietary tools that extend functionality of Autodesk software, maximizing the organization’s software investment
- Dedicated Support that increases employee productivity through efficient software installation, expert technical resources, and analytics and reporting functions that improve decision making
- Over 70 unique courses taught by 50 Autodesk certified instructors offered through in classroom instruction, LIVE Online courses, eLearning, and customized classes
