IMAGINiT Team to Deliver 13 Classes and Showcase New Release of Clarity at Autodesk University

Experts provide insight into multiple industries and solutions and demonstrate latest Clarity release at booth B109.

OWINGS MILLS, MD — October 18, 2017 — Ten industry experts from IMAGINiT Technologies will lead 13 sessions at Autodesk University (AU) 2017. IMAGINiT will also demonstrate the new release of IMAGINiT's Clarity 2018.1 and Clarity Owner Data Portal software on the tradeshow floor in booth B109. AU takes place November 14 to 16, 2017 at the Venetian Resort and Casino in Las Vegas, NV.

"In addition to taking to the stage to share our knowledge with AU attendees, we're also excited about the opportunity to reconnect with customers from across Canada and the US," says Bill Zavadil, senior vice president of professional services at IMAGINiT Technologies. "This year, through 13 educational sessions and strategic discussions at the IMAGINiT booth, our diverse team of experts will share insights that help organizations optimize their 3D design processes."
